

| FEATURES   | BENEFITS   |
|--|--|
| Large Fab-U-Motion surface glides on ball bearings   | Support and move large or small projects with ease at the touch of your fingertips   |
| Stitch length controlled by Optical Sensor communication from Fab-U-Motion to Stitch Regulator "brain."          | Stitches are regulated to sew each stitch the same length. Coordination of machine sewing speed with movement of fabric is all done by Fab-U-Motion with Stitch Regulator. Stitches on all colors of fabric. |
| Adjustable Stitch Length   | Change length of stitch as desired and for specialty techniques  |
| Ergonomic Design   | Design and movement eliminates neck and back tension   |
| Fab-U-Motion textured surface holds fabric in place while stitching  | No need to press fabric to stitch plate or push or pull fabric under foot while stitching  |
| New way to free motion makes it easy for all—from beginner to the experienced—brings out the artist in everyone! | Free motion stitching—stitches of equal length, fabric moves with fingertip touch  |
| Free Motion Quilting   | Fab-U-Motion supports quilt, Stitch Regulator keeps stitch length even   |
| Free Motion Embroidery   | Fab-U-Motion supports fabric, Stitch Regulator keeps stitch length even  |
| Quilts and embroiders through batting  | Quilt with any batting you choose from low to high loft, even insulated battings   |
| Stitch even stitches in any direction  | Stitch side to side, back to front or any combination with perfect stitch length   |
| Embellish all fabric types, weights, and colors  | Add texture, highlights, outline stitching and more to any fabric type, color or weight.   |
| Stitch all styles of stippling and meandering  | Move fabric with ease.   |
| Works with all free motion accessory feet  | Use the free motion foot that is best for the fabric weight, fabric type and technique   |
| Full radial motion   | Moves 360° for accurate free motion sewing   |
| Needle stop down   | Accuracy when moving to new area of quilt  |
| Functional Selective Thread Cutter   | Quick, easy thread cut with Selective Thread Cutter on some Husqvarna Viking models  |
| Compatible with many Husqvarna Viking models   | Use with Designer series, Platinum series, Lily series, Scandinavia 200, 300, 400; Rose, Iris, Interlude and Freesia series  |
| User's Guide and Instructional DVD included  | Easy step by step instructions plus techniques and inspiration   |
| Comes completely assembled   | Simply remove from box, slide on, plug in and play!  |
| Alternative for customers without room for a large quilt frame   | Compact, fits on table, great for small spaces   |
| Lightweight, durable, portable   | Easy to take to class  |
| Made in U.S.A.   | Quality construction made for you  |
| Patent Pending Fab-U-Motion  | Exclusive and innovative   |
| 1 year unlimited warranty  | No questions asked   |
