Designer Diamond Weekend

**Saturday 6th & Sunday 7th
March 2010**

For help with all your sewing needs come to:
Husqvarna Studio
90 Lower Parliament Street
Nottingham NG1 1EH
Tel: 0115 9881550 / 1
Visit our website at
www.husqvarnastudio.co.uk

This weekend has been designed specifically for you the Designer Diamond owner.

There is always something new to experience on the Designer Diamond sewing and embroidery machine! You will have the opportunity to take part in three workshops led by experienced tutors, attend short clinics and experience new products!

You will be required to bring along your Designer Diamond sewing machine, embroidery unit, and the basic hoops and accessories that came with it, which will be for your own use during the weekend. Once you have arrived on the Saturday morning and set your machine up you will be able to leave it safely at the Studio for the entire weekend. We will have staff on hand to help you unload and load your car!

The cost of the weekend is £150.00 this will include three workshops, demonstrations, materials, a buffet lunch on both days plus lots of tea and coffee!

The notes for all three workshops will be available for you to take away at the end of the weekend.

Places are limited so early booking is essential.

Tutors:

Jamie Warren - Husqvarna Viking Educator

Jamie's workshop this weekend will be using the Design Positioning function on the Designer Diamond to enable you to accurately join your designs when re hooping. And you will take a look at Design Positioning when using the Majestic Hoop.

Sandra Carter

Husqvarna Viking Freelance Educator

Under Sandra's expert guidance you will be using Pictograms in the 'C' menu, Taper stitches in the 'Z' menu and Omnimotion stitches, along with the 7 hole cord foot, invisible zip foot and clear piping foot to create a useful handbag tidy to keep all your 'bits and bobs' in one place.

Liz Hanbury

Husqvarna Studio Nottingham Tutor

Liz will show you how to use a wing needle to stitch an embroidery design in the hoop, how to alter your machine settings to make perfect ruching using the gathering foot, how to use a twin needle to create pintucks and to use stitches in the H menu to create corded scallops. With Liz's guidance you will combine all these techniques to create a fabulous cushion wrap!

All the specialist accessory feet will be provided for you to use during the class!
