Software Event

**Saturday 1st & Sunday 2nd
October**

Coles Sewing Centre Ltd

**90 Lower Parliament Street
Nottingham NG1 1EH
Tel. 0115 9881551**

Email info@colessewingcentre.co.uk

This event is aimed at 5D Professional owners, with a few limited places available for 5D Embroidery and Extra users. *Professional dongles will be loaned with a refundable deposit.*

You will be required to bring along your laptop and 5D Professional dongle. *The software must be fully installed onto your laptop and updated to 9.3*

Once you have arrived on the Saturday morning and set your laptop up you will be able to leave it safely at the Studio for the entire weekend should you wish to do so. *We will have staff on hand to help you unload and load your car!*

The cost of the weekend is £125.00 this will include three workshops, a buffet lunch on both days plus lots of tea and coffee! You will also go home with a CD with images and notes for the workshops.

Places are limited so early booking is essential.

Husqvarna Viking produce a range of embroidery software that is technically advanced with many features that give you total creative freedom. The workshops have been designed to give you the confidence to use your software to its full potential.

Tutors:

Jamie Warren Husqvarna Viking Educator

Jamie will be exploring new features found within Design Creator. Using the new multi wave fill feature and how to create designs for using with the cutwork tool kit. Both these features are found in the new 9.3 update.

Liz Hanbury Coles Sewing Centre Tutor

With Liz you will be exploring the features found within 5D Embroidery extra, edit functions and the new super fonts in the 9.3 update.

Including the wonderful new back ground and design splitting features.

Jayne Childs Coles Sewing Centre Tutor

Jayne will be taking you through the brand new 5D Portraitstitch module. Showing you how to turn photographs into stitch. Jayne will give you lots of hints and tips along the way!
