\*These are funded via Clydesdale Finance buy now pay later scheme. No interest is charged provided that the balance is cleared

before the end of the interest free period, so nothing is actually due until then.

If the customer prefers to pay monthly then, they need to set up a monthly direct debit

to pay off the monthly amount, ensuring the amount to finance is cleared by the appropriate date.

Clydesdale Finance will write and confirm the exact date the interest free period ends.
