

Welcome to our summer edition of Studio News and Summer Course Calendar

Wow the people at Husqvarna Viking have been busy two fantastic new products, 5D software and a new machine, plus new accessories and embroidery designs to come in the summer!

The new embroidery machine Designer Ruby will be launched in mid June. We've nicknamed it 'Baby Diamond' it has all the Designer Diamonds fabulous features with a slightly smaller embroidery unit, but still a large 360 x 200 hoop area and a colour touch screen. The 5D Software packages will be launched in August. You can sneak a peak at both products on our website www.husqvarnastudio.co.uk

A warehouse move by Husqvarna Viking has resulted in a delay in some of our orders arriving on time. This has resulted in many of you having to wait a longer than usual period to receive orders from us. Thankyou for bearing with us, normal service will resume as soon as possible.

Not only is this a newsletter but you will open it out to find our summer course calendar, packed with lots to do from 2 hour classes to full day workshops. On the back you will find features on our many new products, please feel free to call us if you would like more information. We look forward to seeing you all when you visit the Studio either on a shopping trip or to attend a course!

Studio Opening Hours

Monday to Saturday 9.15 - 5.00pm
We are open on the first Sunday of the month 9.30 - 4.30pm when parking is free on the road!

New 5D Software

Get ready for the latest innovation in embroidery software!

The 5D™ embroidery system, launching August 2010, brings you to a new level of creativity and personalization in embroidery. 5D™ embroidery software interacts with most embroidery file types and, therefore, is compatible with most machines. 5D™ software allows you to edit embroideries in real time, on your garment. You are in control of the embroidery with tools that allow you to resize, view metallic threads, change colours, edit stitches and so much more. The possibilities are endless! *Purchase 4D Professional now and you will get an automatic upgrade to 5D!*

Ruby Ruby Ruby!

HUSQVARNA VIKING® have designed an extra special machine for those of you who put your heart and soul into creating projects for the people you love, and who

appreciate powerful capability, easy-to-use convenience and innovation, as well as a good value. Full colour interactive screen, Large extended sewing space, Exclusive sewing advisor, Large embroidery area - hoops up to 360 x 200 mm, Sensor foot system, with pivot and thread trim, Superb sewing and embroidery stitches, plus much more! (NSP £3495)

Come and join us for our Ruby Launch Day. Formal Demonstrations will be available at 11.00am and 2.00pm, though we will have the machine available all day.

We are anticipating a high demand if you want to be one of the first to take a Ruby home you can reserve one with a £300 deposit, and be entered into a prize draw for a £500 voucher towards the new 5D Embroidery System software due out in August!

You can sneak a peek at Ruby by visiting our website www.husqvarnastudio.co.uk
