

Welcome To Our Summer Edition of Studio News and Summer Course Calendar

The people at Husqvarna Viking have been busy developing new products, machines, accessories and a fantastic selection of new embroidery disks to keep us all busy sewing!

The new embroidery machine Designer Diamond deLuxe has just been launched, it has over 1100 stitches over 330 designs and an large embroidery area of 360 x 300. It has an exclusive thread stitch system which automatically selects the best stitch system to improve the balance between needle thread and bobbin thread. Thread Portioning feeds the correct amount of thread for every stitch no matter what thread type or fabric thickness when sewing or embroidering.

We put it to the test with metallic thread on the bobbin and metallic sliver thread on the top we stitched out an embroidery on paper, the thread never broke and the embroidery looked the same back and front, wow amazing! The Designer Diamond deLuxe is now in the Studio and available for demonstration, why not come in and try it for yourself, you'll be truly amazed!

To celebrate 15 years of trading (we opened 1st June 1996) we are having a name change and becoming a limited company. The company directors are Rose and Neil, the

new name will be **Coles Sewing Centre Limited**, incorporating Husqvarna Studio Nottingham. On a day to day basis nothing will change other than a gradual rebranding over the next 12 months. Thankyou all for trading with us over the last 15 years and we look forward to serving you in the future.

New free update for 5D software owners. Features included are lettering enhancements, mini designs and frames, multiwave fill, and inspira cutwork needle support. Just open the 5D™ configure module in your software and select the Smart Update icon for an automatic update

Courses

On the inside of this newsletter you will find the summer courses for July and August. There is a wide selection to choose from, from half day classes to three day master classes. From card making to garment making we hope there is something for everyone.

We are running a summer school programme for girls and boys from the age of 8 years upwards. Please contact us for a junior summer school programme or download a copy from our website www.husqvarnastudio.co.uk

Our brochure from September to December will be available on the website from early August or give us a call and we will mail you a copy. **Samples of many of our courses will be available to view in the Studio or on the website www.husqvarnastudio.co.uk**

Morsbag Day

Saturday 16th July 10.00-2.00pm

Spare half an hour to come and make a Morsbag (or several!) each bag has the potential to eliminate 100's of plastic bags over its lifetime. Come along and bring a friend, non sewers welcome. No charge but fabric (unwanted duvet covers, curtains etc) donations welcome! To find out more about Morsbags go to www.morsbags.com

Dates for your diary:

Guest Tutor **Eileen Blood** will be at the Studio on Friday 30th Sept running a one day workshop and on Saturday 1st Oct will be in the Studio for a demonstration day.

Saturday 1st & Sunday 2nd October

5D Software Weekend

A packed weekend of classes and demonstrations. Tutors to include Husqvarna Education Manager Jamie Warren and Studio tutors Liz Hanbury and Jayne Childs.

Saturday 8th October **Free open day for textiles teachers!** Are you a textiles teacher or trainee teacher? Are you a technician, teaching assistant or someone who works in a school or other area of education who is interested in textiles? Come along to a free open day run by Julie Boyd who is an award winning textiles teacher who has run training for DATA and other organizations and who has published KS3 and GCSE textiles resources. Please contact us to register your interest and we will send you further information.

Guest Tutor and Author **Ruth Brown** will be running a Cyantyping (blueprinting) on fabric two day workshop Saturday 5th and Sunday 6th November

Guest Textile Tutor and Author **Isobel Hall** will be running two one day workshops Tuesday 8th & Wednesday 9th November

Full details will be available in the September Course Brochure and on our website of all the above events.
